#### Retirement Party

We used Prestige Limousine Service for my retirement party and it was fabulous. We certainly traveled in style. The limo was immaculate. Jeff was so accommodating and courteous. He arrived early, helped with pictures, and took us on a wonderful ride to and from our destination. I highly recommend using Prestige.

#### Will Use Again!

Our family has used Prestige Limousine Service several times for airport transportation. They are always on-time and very professional. They pick us up, drop us off and help with luggage. They are always on time to pick us up on our return. Very convenient especially for early/late flights and traveling with kids. No parking hassles! We will absolutely use them again and highly recommend!

Prestige is the first choice for great limousine service because we provide:
